

KSPP Emergency Plan for Participants

Prior to the parade start, if there is a weather emergency, please advise your group to seek shelter in the closest parking garages along Hill Avenue, Blount Avenue or Main Street.

The parade will not begin until the weather emergency is lifted.

Please talk to any children in your group about seeking a volunteer or police, medical or fire personnel in the event of a separation from their group. Make sure they know the name of your group so we can direct them in the event they get separated.

In the event of a medical emergency, call 911. Find a volunteer, police officer, medical or fire personnel. In the event of a physical threat, RUN-HIDE-FIGHT. More information can be shared with your group at: [RUN-HIDE-FIGHT](#)

KSPP Parade Point of Contact for all other needs: Justin Croft 865-244-8171

Your safety is our number one priority and we are actively preparing our volunteers and staff to make this parade safe for all. Communication with your group on these safety measures is key. Thank you for being an integral part of the Knox St. Patrick's Parade!
